

Selenium – timeless design

Selenium

Selenium SGP340 is an efficient, ergonomic road-lighting luminaire. Its simple, rounded form reduces its daytime visual impact, allowing it to integrate into any kind of environment. Selenium incorporates the renowned T-POT reflector for excellent optical performance. Energy savings are possible by means of dimming with a switch or stand-alone Chronosense system (without pilot cable). Selenium is suitable for side-entry or post-top mounting, with a choice of three tilt angles for optimal installation (0, 5, 15°).

Benefits

- Timeless design in an efficient, ergonomic road-lighting luminaire with a simple, rounded form that reduces daytime visual impact
- Incorporates the renowned T-POT reflector for excellent optical performance
- Energy savings are possible by means of dimming with a switch, or stand-alone Chronosense system without pilot cable

Features

- Timeless design
- T-POT optic
- Dimming with switch or stand-alone Chronosense system (without pilot cable)
- Three tilt angles for optimal installation on mast or bracket

Application

- Industrial areas
- Roads
- Crossings, roundabouts

PHILIPS
