

Nexans compatibility with 3rd party structural hardware

v04.2007

OUTLET	Brand	P/N	function	Nexans Snap-in					Nexans Snap-in + metal keystone clip		Nexans Snap-in + plastic keystone clip			Comments	
				Essential	LANmark-5	LANmark-6	LANmark-7	OF (simplex)	Essential	LANmark-7	LANmark-5	LANmark-6	LANmark-5		LANmark-6
		NIKO	170-65101	adapter n1 for new series faceplates, single & double (1xx-65x00)											
		Busch-Jaeger	1875 EB	adaptor for angled outlet											
			1814	adaptor plate for flat outlet											
			1871 EB	adaptor for IP 44 outlet											
		B Ticino	Living International	used with N800.305											can be used in Light Tech series
			Light	used with N800.306											can be used in Light Tech series
		Cimabox	B85, B85B, B85C, B085, B085B, B085C	flat faceplates in Basis range											
			S85B, S85C, S085, S085B, S085C	flat faceplates in Standard range											
			K85, KB85, K085, KB085	flat faceplates in K45 range											
			MD85	adaptor for angled faceplates in Standard range (S80B, S80C) & K45 range (K80, KB80, K080, KB080)											
		MMdataelectric	xx67	flat faceplate series 45x45 and UK format											Not compatible with LANmark-7 patch cord
			xx68	flat faceplate series 45x45 and UK format											Not compatible with LANmark-7 patch cord
		Feller	966-1019.61	adaptor for surface mount box											
			966-1018.61	adaptor for coverplate											
		Thorsman	5971 742	adaptor for CYB series											
		Elko	400442	adaptor for angled outlet											
		Eljo	51 025 37	adaptor for angled outlet											front housing and clip visible
		Gira	19200	adaptor for flat outlet System 55											metallic clip leg should be plied more
			3900	adaptor for angled outlet System 55											front housing and clip visible
		Jung	54-2 WE	adaptor for double angled outlet											front housing and clip visible
			54-1 WE	adaptor for single angled outlet											front housing and clip visible
		Berker	4541 01	red adaptor for double outlet series 1181xx, 1182xx											
			4540 01	red adaptor for single outlet series 1170xx											
		Decelect-Forgos	FO0526	single or double flat outlet											metal clip legs should be plied more
		Peha	600 MJ4	yellow adaptor for double outlet											
		Merten	4615-93	yellow adaptor for double outlet											
		Attema	1974	adapter B for AK2 consolidation box and for IC-2 and IC-4 universal databoxes											
		Gewiss	GW 20 270	flat single faceplate in System range (white)											
			GW 21 270	flat single faceplate in System range (black)											
		Polo	1100 62 01	25x50 module for angled outlet (1200 79 02)											

Part numbers :
 * Essential connectors : N420.416 - N420.426
 * LANmark-5 + LANmark-6 connectors : N420.550 - N420.551 - N420.555 - N420.556
 N420.660 - N420.661 - N420.666 - N420.667
 N420.666G - N420.667G
 * LANmark-7 connectors : N420.730 - N420.731
 * LANmark-OF snap-in adaptors : N205.623 - N205.613 - N205.621 - N205.611 - N205.612
 * metal keystone clip for Essential and LANmark-7 : N429.620
 * red plastic keystone clip for EVO series : N429.625
 * blue plastic keystone clip for EVO series : N429.626
 * yellow plastic keystone clip for EVO series : N429.627
